Captain Leaves For Korea

It's a "bicycle built for two" -- with three year old Dawn (Dawnie) in a special seat and Dana's (Dee Dee), 6, showing the way to go. Mom and Dad are Captain Craig and "Lib" Thompson. Capt. Thompson, a seven year Army veteran VPI graduate and native of Lynchburg, expects to go to Korea this week. Mrs. Thompson, formerly of Brookneal, is a registered nurse. In the Thompson apartment there are many mementos of overseas living, (Okinawa, in particular) - oriental dolls, fish floats, paintings on velvet and the kind of "one world" atmosphere that spells travel and adventure to the visitor. Say the Thompsons, "Appomattox was a logical half-way spot" between grandparents. They have commented on the friendliness of neighbors in and around the Lee-Grant Apartment complex on Booth Drive.

Blind Virginians See Again

RICHMOND – A total of 86 sight-restoring corneal grafts were made possible in the fiscal year ending June 30 through the cooperation of the Old Dominion Eye Bank and Research, Inc., according to an announcement today by R. Kenneth Hudgins, the eye bank's Executive Director.

The human eye tissue used for such sight - restoring corneal transplants is provided to Virginia ophthalmologists free of charge through the eye bank's eye-donor program. Virginia residents are asked to donate their eyes, on death, to the eye bank, so that corneal transplantations can be provided to those of our citizens who have been blinded because of damaged or diseased corneas.

Corneal transplantations are now quite commonplace and have become increasingly successful in restoring vision to those afflicted by this type of blindness. A critical factor in restoring sight to those so afflicted, however, is the human eye tissue for the operations.

The Lions Clubs of eastern Virginia, primary patrons and supporters of the eye bank, are engaged in a continuing campaign to increase the number of pledges of eye tissue, on death, by Virginia citizens – in order to supply the much - needed eye tissue. Those willing to make such a donation – so that others may see – are asked to contact any member of a local Lions Club or to write directly to Old Dominion Eye Bank and Research, Inc., 408 North 12th Street, Richmond, Va. 23219.
